

## Shine Oil

The Shine Oil is a luxurious blend of 5 natural oils designed for all hair types. It is rapidly absorbed, leaving hair with a smooth, cushion soft feel and enhanced shine. The non-greasy formula can be applied to both wet and dry hair.

|   | Trade Name               | INCI Name                                  | Function  | %W/W | Supplier                         |
|---|--------------------------|--|-----------|------|----------------------------------|
| 1 | Floviva Sweet Almond Oil | Prunus Amygdalus dulcis (sweet Almond) oil | Emollient | 61   | ProTec Botanica                  |

## Method of Manufacture

### Into the main vessel add:

|                          |                                      |
|--------------------------|--------------------------------------|
| Floviva Sweet Almond Oil | Start the mixer on a moderate speed. |
| Floviva Grape Seed Oil   | Mix until dispersed.                 |
| Florasun® 90             | Mix until dispersed.                 |
| Floviva Soybean Oil      | Mix until dispersed.                 |
| DOC NATURA CJSO          | Mix until dispersed.                 |

**Mix for 10 minutes to ensure all the oils are uniformly mixed and the product is homogenous.**
