

COSPHADERM® POCAL

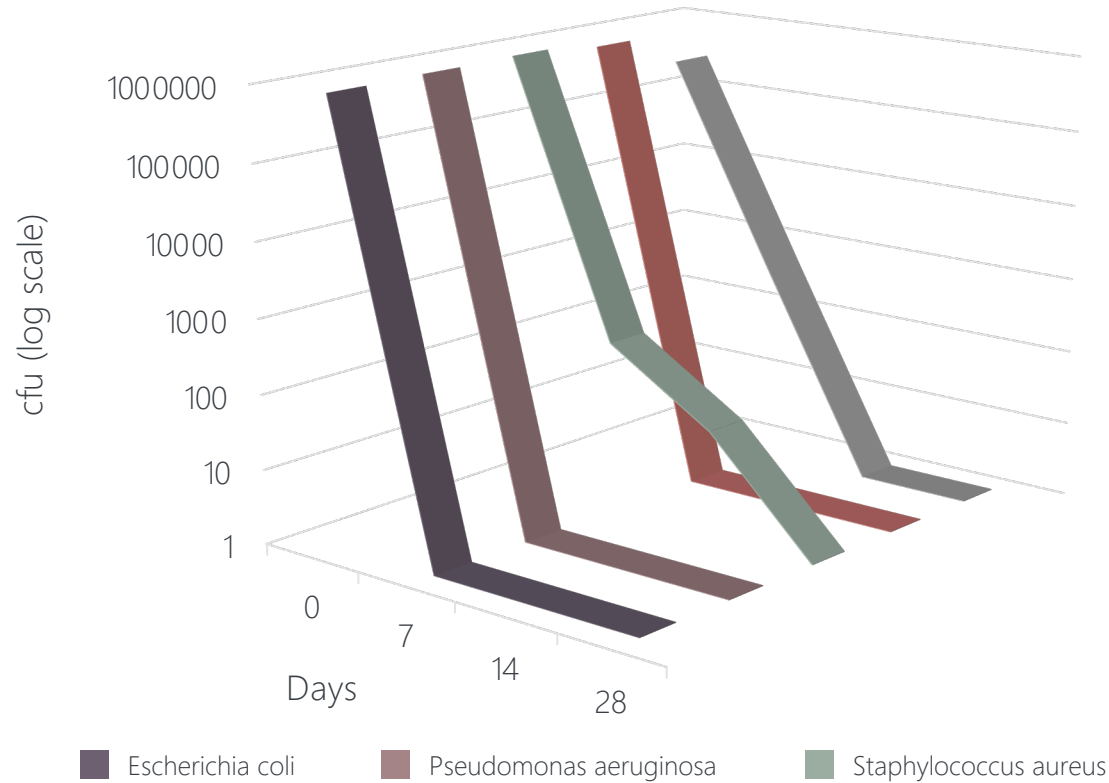

- INCI: Propanediol, Caprylyl Glycol, Caprylhydroxamic acid
- NaTrue approved multifunctional stand-alone blend with great full spectrum antimicrobial efficacy
- Wide pH range from 4.0 – 7.5
- Recommended application concentration: 0.8 - 1.5%
- Fluid and water soluble up to 1.0%

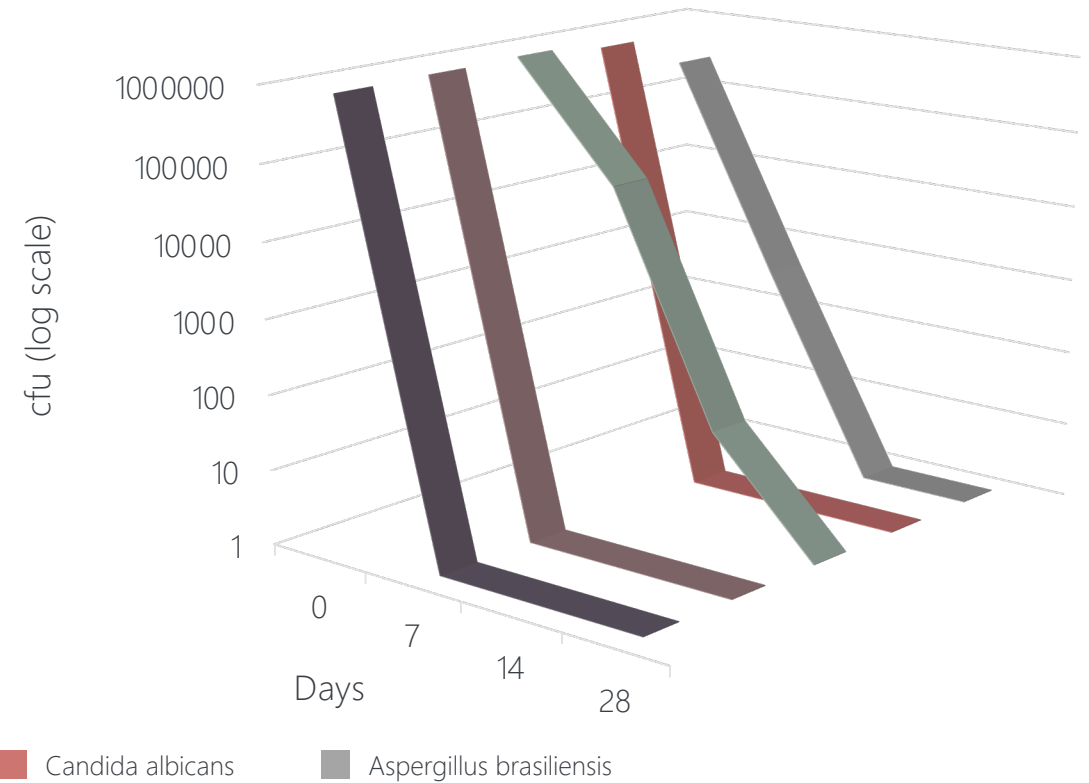

COSPHADERM® POCAL – EFFICACY

- Application as stand-alone blend, o/w emulsion

Cosphaderm® Pocal 1.0%, Basis o/w pH 5.5

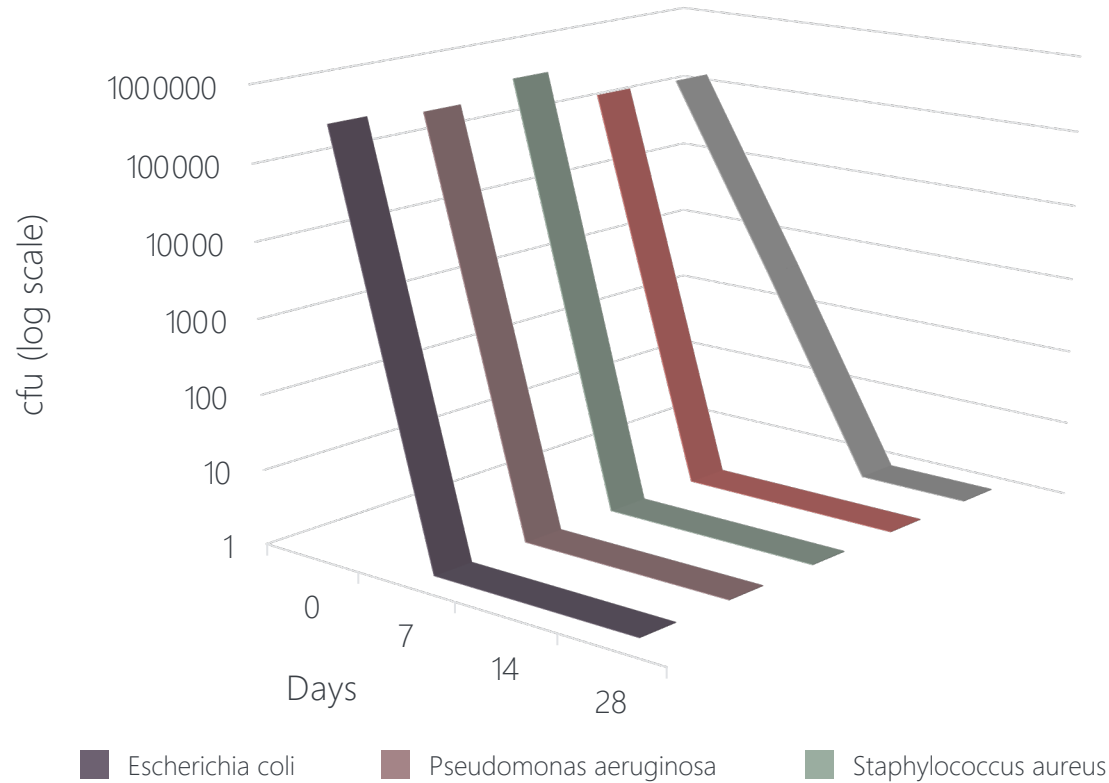

Cosphaderm® Pocal 1.0%, Basis o/w pH 7.0

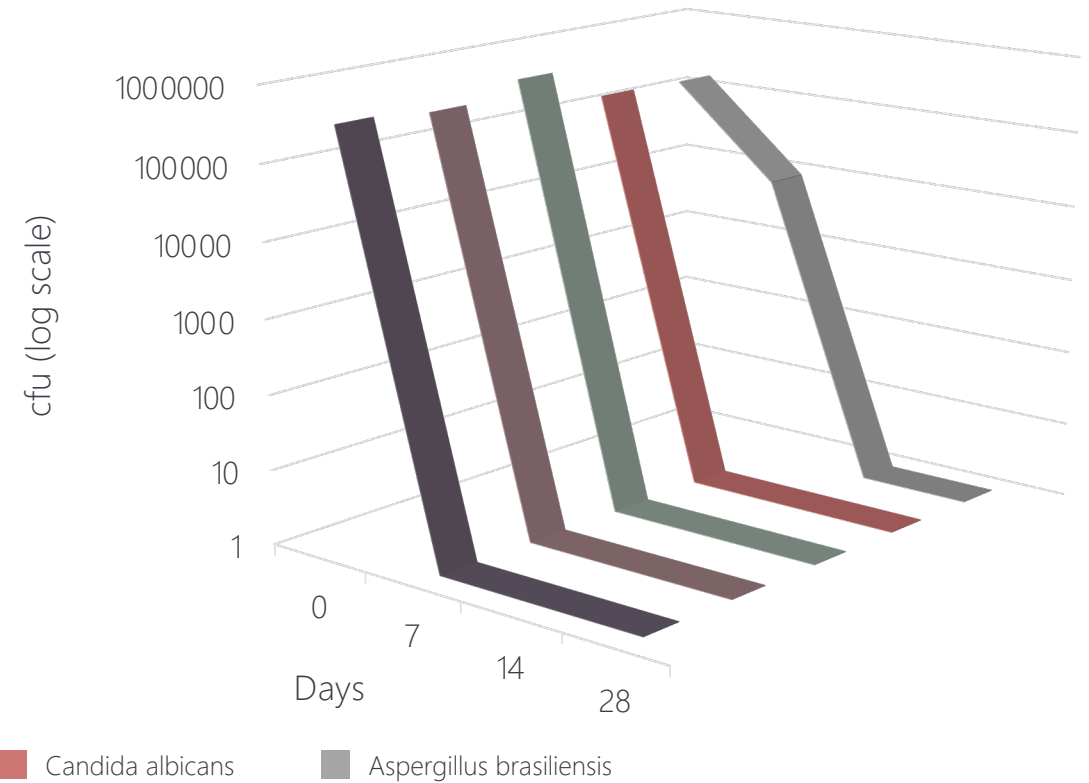

COSPHADERM® POCAL – EFFICACY

- Application as stand-alone blend, o/w emulsion

Cosphaderm® Pocal 1.0%, Boosting Serum pH 5.5

Cosphaderm® Pocal 1.0%, Boosting Serum pH 7.0

COSPHADERM® POCAL – EFFICACY

- Application as stand-alone blend, water based surfactant formulation
